

# Have a go!

Design your own home! What might it look like? Will you make it symmetrical like Hogarth did?

**Draw your imagined home below:**

Wow! Great job!

**Why not try building your home?** You could use:

Lego

Clay

Card

or something else, get creative!

# A house and home

KEY STAGE 1

William Hogarth and his wife Jane moved into Hogarth's House almost 300 years ago. They made changes that we can still see today.

**Explore the house and garden!**

**My name is** .....

HOGARTH'S  
HOUSE

London Borough  
of Hounslow

1

# What's in the garden?

The garden at Hogarth's House used to have lots of trees that grew fruit for William and Jane in the summer.

Can you circle your favourite fruits?

Apples

Oranges

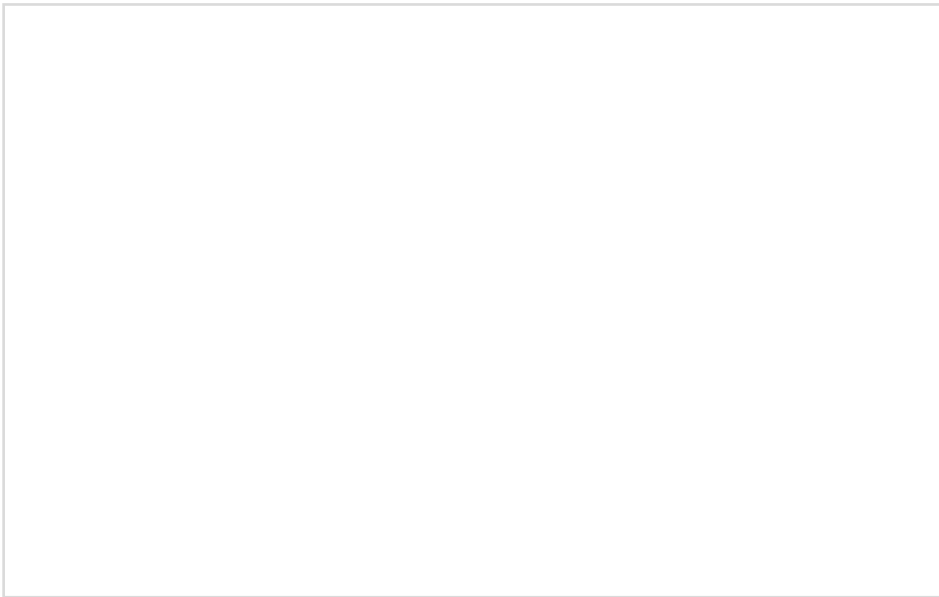

Bananas

Pears

Cherries

Strawberries

Draw a fruit tree below. Don't forget the fruit!

What type of fruit did you draw? \_\_\_\_\_

Count how many fruit your tree has \_\_\_\_\_

2

# Home improvement

When William and Jane Hogarth moved into their house, they said they needed more space. They added the orange bits you see below:

Draw a line down the middle of the house, does it look the same on each side, is it **symmetrical**?

Yes or No

Can you find something that looks symmetrical?  
Draw it!
