

## Print like Hogarth - Get Outside!

When taking your daily walk, look out for **leaves** that you can pick up safely and take home with you.

### Talk about it.

Choose two or three and tell a grown up why you like them.

## Leaf printing

1. When you get home, choose a leaf. This one is from a rose bush.

2. Turn your leaf over. Look at the veins.

3. Prepare your paint. Choose any colours you like!

4. Lay your leaf in the paint use a paintbrush to cover the back.

5. Lay your leaf paint-side down on a sheet of paper and press down

Do this lots of times to make a tree!

### Think about it.

Trees look different at different times of the year. You could do a Spring, Summer and Autumn tree. Why might a winter tree be difficult?
